

BIOGRAPHY

Carl W. Patchke, Esq.

Senior Vice President

CURRENT RESPONSIBILITIES

Carl Patchke is a Senior Casualty Claim's Advocate with Marsh's Global Claims Practice located in Ft Lauderdale/ Sunrise, Florida. He is the global Retail, Wholesale Food & Beverage industry claim practice leader at Marsh. His primary responsibility for clients involves "defining, designing, and delivering" custom claims management programs that maximize service and reduce the client's total claim's costs. Carl is a strong client advocate who works to resolve complex coverage issues in favor of clients and assists with large loss negotiations and settlements. His other skills include analyzing loss data & benchmarking; providing claims management training and performing claim reviews and audits - all are done with an eye towards reducing a client's total cost of risk.

EXPERIENCE

Carl has over 20 years of experience as a broker claim advocate and over 10 years of experience with insurance carriers. During the course of his career he has worked as an Adjuster; Complex Claim Technical Specialist; Team Leader and Sr. Consultant. His expertise includes primary and excess Commercial General Liability policies including London, Bermuda & manuscript forms; multi-state Workers Compensation primary and excess coverage as well as Reinsurance & Captive program claims management . He has created and presented claim training seminars for internal employees and clients. He frequently provides presentations and he recently spoke at the Claims & Litigation Management Annual Conference. His industry experience includes retail; public sector; transportation; healthcare; energy; manufacturing; pharmaceutical; and construction.
