SPEAKING ENGAGEMENT
08.27.2020
Event Sponsor: Greater Cleveland Partnership

On August 27, 2020, Daniel J. McMullen, Partner with Calfee’s Intellectual Property practice group and leader of the firm's Information Technology practice, will be presenting on the topic, “Data Privacy and Cybersecurity - What's a Business to Do?” at the 2020 Greater Cleveland Partnership Tech Week.

Tech Week is an annual initiative to support and engage the local tech community through education, networking and programming for entrepreneurs, executives, students, educators and other stakeholders of the IT industry. The event is organized by Greater Cleveland Partnership’s GCP Tech and RITE, The Regional IT Workforce Alliance, and was first held in 2011.
